ANNOUNCEMENT

Banco BPI, S.A. informs that, following the Initial Public Offering (IPO) of Banco de Fomento Angola - BFA, the results of which were publicly disclosed on the 26th September, it has sold a stake representing 14.75% of BFA's share capital, with a cash proceeds in AOA equivalent to 103 M.€ at the current exchange rate. As a result of the transaction, Banco BPI's stake in BFA has been reduced to 33.35%. The admission to trading on the Angolan Stock Exchange Market (MBA) of BFA shares sold is expected to occur on the 30th September.

Banco BPI highlights the success of the operation, which recorded demand five times higher than the offer, and celebrates the opportunity to contribute to the development of Angola's capital markets.
